

MultiPlan, Inc.

Innovative Network Solutions

Organ Transplant Network

MultiPlan is powered by innovative network solutions. The MultiPlan Organ Transplant Network offers you:

- 160 preeminent transplant facilities
- Global contracted network
- Access to consultation services
- PEPM or percentage of savings contracting

MultiPlan's Organ Transplant Network was created in response to client needs. Let us help you with significant savings and a network solution that is right for you.

MultiPlan is one of the nation's largest and most comprehensive healthcare networks. Covering all 50 states, the District of Columbia and Puerto Rico, the network encompasses over 3,300 of the nation's acute care hospitals, 350,000 physician sites and approximately 48,000 ancillary facilities. Additionally, a state-of-the-art technology platform enables MultiPlan the flexibility to support a wide range of healthcare programs.
